题型分类:

- 1.A&D:是否同意
- 2.<A>&D:是否同意 A
- 3.Prefer:比较选择
- 4.one/several: 多选一
- 5.Reason:阐述原因
- 6.Particularize:列举

金钱观念

2018.5.12 题型: Reason

When a new technological device becomes available, some will buy it right away, and some wait until many have adopted. What do you think?

选择后者

1. There may still be a lot of undiscovered problems in a new product.
2. Reading comments may help us know better about the product.
3. Waiting until many adopted can get a better discount.

2019.3.30 题型: One/several

Do you agree or disagree with the following statement? The university will spend money on dormitory to improve the life quality of students, which of the following do you think is the best way?

- 1) providing a room for quiet study;
- 2) building an exercise room;
- 3) providing entertainment place (watch film).

选2)

1. Sports are critical for university students' personal development.
2. Building an exercise room in dormitory building will encourage more students to do sports.
3. Exercise room also provide students with chance to make friends with others.

社交观念

2018.4.15 题型: A&D

Do you agree or disagree with the following statement? It is better to make friends with intelligent people than with the people with a good sense of humor.

若不同意

1. People with a good sense of humor can help you relax.
2. A humorous friend can give you comfort and make you feel better.

3. To have an intelligent friend could add extra pressure on yourself.

2018.10.20 题型：A&D

Do you agree or disagree? In the past, people were more friendly than they are today.

同意

1. One reason for the statement considering people in the past as more friendly would be the fading of face-to-face communication in modern world.
2. In addition, another possible explanation of people being less friendly today would be the improved tolerance towards risks madden people have.
3. Aside from these, the pace of life should also be recognized as a key to explain the reason of friendliness, or rather, the lack of it.

2019.5.18 题型：One/Several

Doing which activity do you think can help you to strengthen the friendship between you and your friend?

- 1) having a good time together with your friend
- 2) solving your friend's problem with him or her

选择 2)

1. People can have a good time with a lot of people, clearly not everyone can be called friends.
2. Solving problems mean going through difficulties together.
3. Solving problems stand for the special memory with each other.

学习和教育

2018.1.27 题型：one/several

Which one of the reason is most important in helping students to study in colleges and universities?

- 1) Having access to the university tutors who can provide individual instruction for the students who have difficulty in study.
- 2) Having the help and encouragement from the family and friends.
- 3) Having excellent teachers in high-school who can help the students before the

university.

若选 1)

1. College life is different from high school. University tutors can offer the most useful information for students in colleges and universities.
2. University tutors are experts in helping students who have difficulty in study, so they are the right people to come.
3. Admittedly, family, friends or high-school teachers can offer help and encourage students, but after entering the universities, students will have less contact with them.

2018.1.28 题型: one/several

Which one of the following areas should governments fund in order to improve children's educational quality:

- 1) Hiring more teachers so that there are fewer students in one class;
- 2) Providing preschool education;
- 3) Providing additional training for teachers so they know more methods to teach

若选 1)

1. When there are fewer students in one class, each students will have more chance to express himself and participate in classroom interaction with the teacher.
2. Teaching fewer students can release teachers' burden, and they can pay more attention on each of his students.
3. Providing neither preschool education and additional training for teachers will increase the workload of teachers, thus affecting their educational quality.

2018.3.3 题型: Prefer

If you are going to graduate from the university and have to choose the final course, which professor will you choose. The one you used to sign up for courses or the one you have never learned from before.

若选后者

1. Normally, the scour of final semester will not affect the entrance to graduate college or finding a job, so it's good time to try those new courses freely.
2. To choose a course that is out of the course load can widen one's horizon and broaden one's mind.
3. In the course that one has never learned will create opportunities to meet new classmates and make friends with them.

2018.4.21 题型: A&D

Do you agree and disagree it is difficult for teachers to be both popular (well-liked) and effective to help students learning

若不同意

1. A popular teacher can easily be accepted by students, thus being effective.
2. If a teacher can effectively help students, he will be popular among students.
3. Effectively helping students learning requires you to understand students, which is a prerequisite of being popular.

2018.5.6 题型: Reason

Some people think that some lessons for young children (age 5-8), which include video games, can serve as effective and interesting ways of learning, while others think that these lessons are quite distracting and can be seen as a waste of time. What is your opinion and why?

若支持

1. Since video games are attractive ,they can help the children focus.
2. Without video games, children from age 5-8 can still be easily distracted themselves.
3. Video games including exercises, videos,

2018.6.2 题型: One/Several

Schools always collect information about teachers' teaching performance and give rewards to those teachers who perform well. Which way do you think is more useful?

- 1.to evaluate teachers' performance by students.
 - 2.to evaluate teachers' performance by teachers? Why?
- Use specific reasons and details to support your answer.

选择 1

1. Teachers are responsible to their students instead of their peers.
2. Evaluation through students can save a lot of time and effort for other teachers.
3. Evaluation through teachers can cause other “office politics” problems

2018.6.10 题型: Prefer

To better accommodate in school life, attend one-week orientation OR ask for students in the same major who have attended universities for several years
Which is better?

选择1

1. Attending orientation is a good way to get to know of the fellow students.
2. The advice from an elder student is inevitably biased.
3. Accommodating to a new environment all by oneself is an important ability.

2018.8.25 题型: Prefer

如何选择教授? 1.选受欢迎的 2.选研究做得好的

选择1

1. A popular professor usually has a nice personality and can be students' good friends.
2. Plenty of professors are popular due to their vivid presentation of knowledge, and thus students can better understand their class and acquire knowledge more efficiently.
3. Nevertheless, they should choose professors with better achievement in research if they prepare to dig into a certain field.

2018.9.2 题型: A&D

Do you agree or disagree with the statement: The best way for a teacher to help students interested in a subject is to explain that subject will help them outside of school.

若不同意

1. It will be better for teachers to inform students of relevant information about the subject to make them more interested in it.
2. It is also feasible for professors to change their teaching methods in order to make the subject more appealing.

3. Admittedly, aware of realistic applications of the subject, students may be interested in the subject.

2018.9.8 题型: A&D

Do you agree or disagree with the following statement? Professor should prohibit the use of devices that can connect to the internet in class

若同意

1. It will be really time-consuming while searching for the correct or relevant information on the web when faced with problems
2. Equipped with such technical devices, students would be more likely to do something when they find the class boring, which definitely exert a negative influence on their study.
3. It would definitely affect the professor's emotion because he thinks the students are not listening to him when students lower down their heads to use the phone.

2018.9.9 题型: A&D

In universities, people tend to concern more about the career prospect of the subjects they learn. Some people propose that students should learn subjects with a fast job growth including math, science, technology, and engineering even if they are interested in other subjects. Do you agree or disagree?

若不同意

1. With interest, people are more likely to persist, make academic achievement and finally find proper jobs
2. Individuals will be happier if they are in positions that are more appealing to them
3. Admittedly, subjects like math and science have faster job growth and it will be more difficult for us to find jobs if not equipped with such knowledge.

2018.10.14 题型: A&D

Do you agree that it needs to take risks or keep cautious and careful and take less risks for a person to finally reach success? Give reasons to explain your choice.

若不同意

1. If one wants to be successful in the field of science, he or she needs to think differently, which may cause them to be laughed at, to be objected or to be separated by other counterparts.
2. This also applies to technology and business. If a person wants to make a difference in those areas, he or she is supposed to think differently and behave differently.

3. But one cannot forget/overlook that taking risks is based on making full preparation, which might include careful thinking, and only in this way can a person reduce the risk to the lowest level.

2018.11.4 题型: A&D

A government should spend money on all adults after 25-year-old on a training course for the up-to-date skills. Do you think it is an effective payment for the government? Why or why not? Use specific reasons and examples to support your answer.

若同意

1. Firstly, funding to make up-to-date skills accessible to people over age of 25 efficiently promotes the development of technology.
2. Also, devotion into the accessibility of the up-to-date skills for adults over 25 years old lessens the social unemployment issue
3. Admittedly, a government should not invest in such fields in cases like economic crisis

2018.11.11 题型: A&D

Do you agree or disagree with the following statement? Government is not doing enough work to educate people the importance of nutrition and healthy eating.

若同意

1. To begin with, most old people have never realized what a healthy life style is and how much it plays a crucial role in their lives.
2. Conversely, if government focuses on the problem about the unhealthy life style and the publicities about the healthy life style, many human's life would be changed and the pressure of hospitals would be released.
3. Undeniably, it is common sense that government should pay more concentration on the development of technology instead of the lifestyle since the lifestyle which individual choose by themselves is out of government business.

2018.11.24 题型: Prefer

Supervisor and teacher will make a group to do a project, and do you think it's more efficient to work with anyone you wish for or to work with people who think and do things differently?

选择前者

1. Primarily and undeniably, a higher working efficiency could be achieved if the group members could comply with the whole group's rules and targets.
2. Apart from working efficiency, another important benefit of choosing a compliant

group member is all team members will work with greater impetus.

3. In addition, many people who come up with different ideas against the group end up at causing the project to fail.

2018.11.25 题型: A&D

Do you agree or disagree with the following statement? It is easier for parents to raise children today than it was 50 years ago?

若不同意

1. Nowadays, basic tasks like feeding and clothing is not the whole picture of a parent
2. Besides, parents may also face the problem of getting along with rebellious teenagers
3. Admittedly, because of the advancement of economy and society, basic tasks have become much easier than before

2018.12.1 题型: A&D

Do you agree or disagree with following statement? It is as important for older people to study or learn new things as it is for younger people. Use specific reasons and examples to support your answer. Use specific reasons and examples to support your answer.

若同意

1. For one thing, an increasing number of medical studies show that staying mentally active can help prevent dementia and Alzheimer's disease.
2. For another thing, continuing to acquire new knowledge will keep elderly individuals emotionally present and connected to the world.
3. Admittedly, keeping learning can be tiring and time consuming

2018.12.16 题型: <A>&D

Some university teachers prefer to record their lectures before classes. In this way, students will be familiar with the lecture in advance and teachers help students practice in classes while they are watching or listening lectures. Do you think it is an effective way to learn?

若同意

1. To begin with, students can enhance their self-study ability.
2. Besides the benefit of autonomous learning, flipped classroom also facilitates teachers in identifying students' academic weaknesses.
3. Although I believe flipped classroom is a more effective method, there is no

guarantee that only the class organization itself will promise better academic performance.

2019.1.13 题型: A&D

Do you agree or disagree with the following statement? Students are more interested in politics than before?

若同意

1. Teachers today play a more important role in helping students to form their political opinions than before.
2. Thanks to the propaganda of mass media and the connection of Internet, it is easier for students to acquire information on politics, to openly discuss politics and even to take part in political events.
3. Politics has become more and more closely related to students' future life and work.

2019.1.26 题型: Prefer

Do you agree or disagree with following statement? When you make a presentation, which method do you think is better to help you find weaknesses and improve your presentation skills?

- 1) record the presentation and watch the video by yourself
- 2) ask others for advice

Use specific reasons and examples to support your answer.

选2)

1. Looking from another perspective by others can spot the flaws of my presentation more easily.
2. Others will give me new tips to improve my presentation skill.
3. Asking others for advice is the most efficient way.

2019.2.23 题型: A&D

Do you agree or disagree with the following statement?

It is difficult for a teacher to be both popular (well-liked) and effective in helping students in learning.

若同意

1. Teachers are too busy to have even a little time to learn how to be popular.
2. Teachers' being serious and strict can effectively help students in learning, but won't be well-liked.

-
3. Teachers themselves do not want to be popular for many reasons, for example teachers may want their classes to be quiet.

2019.2.24 题型: Prefer

Some first year college students do not have good study habits. Some people believe that colleges should provide all of the first year students with a required course to develop their good study habits. Other people believe that providing this kind of course is unnecessary. What is your opinion and why?

若同意

1. Such courses can facilitate the process of their adaption to college.
2. These courses can also relieve first-years' anxiety to some extent.
3. Learning good study habits also benefit student 's future career and life.

2019.3.3 题型: A&D

A primary (elementary) school is considering increasing the amount of time it spends educating its young students about technology (for example, computers). To do so, it would decrease the amount of time it spends educating the students about music and art. Do you agree with the idea of young students (ages 5-11) spending less time in school learning about music and art in order to spend more time learning about technology? Why or why not?

Use specific reasons and examples to support your answer. Be sure to use your own words. Do not use memorized examples.

若不同意

1. Early exposure to computers and other kinds of technological products might bring health problems to kids.
2. Learning art and music at an early age helps to develop creativity and make the kids more imaginative.
3. Spending more time teaching kids music and art can can benefit the whole community.

2019.3.30 题型: A&D

Do you agree or disagree with the following statement? Parents should limit their children's hours of using electronic devices such as video games and televisions.

若同意

1. Limiting the time juveniles spend on electronic devices sets foundation for their academic performance.
2. Setting restrictions on use of electronic products provides more opportunities for

cultivating versatile talents.

3. Spending less hours on electronic devices is good for keeping physically healthy.

2019.4.14 题型: A&D

Do you agree or disagree that students do not respect teachers much as they did in the past?

若同意

1. In the past, the access to knowledge is very limited.
2. It used to take way more to be a teacher than it is now.
3. Diversity is appreciated.
- 4.

2019.5.4 题型: A&D

Do you agree or disagree: The most important goal of education is to teach people how to educate themselves?

若不同意

1. The goal of education was to develop more skilled people to serve the society.
2. As the society develops, education should enable people to pursue for a better life.
3. Teaching people to educate themselves is a bonus acquired by long time of studying.

2019.5.11 题型: Reason

Some people think that younger children should be taken care of by the older children in a family; others think that younger children should be taken care of by their parents or other adults in their family.

What is your opinion and why?

Use specific reasons and examples to explain your choice.

选择前者

1. Children of the same generation understand each other's ideas and difficulties better.
2. Children's words are easier to be accepted.
3. It will develop a tighter relationship between brothers and sister.

2019.5.19 题型: A&D

Many schools require young children (aged 5-11) to study together in small groups instead of studying alone. Do you agree or disagree with the following statement?

Requiring children to study in groups is the best way to teach them. And why?

同意

1. Working in group can help children supervising each other to guarantee their efficiency.
2. Group working can develop the children's team spirit.
3. Group working prompts idea exchanging.

2019.5.26 题型: Prefer

Some students prefer to choose smaller classes with fewer students (professors can know each student's name), while others prefer to take bigger classes with lots of students. Which do you prefer and why?

Use specific reasons and examples to support your answer.

选择前者

1. Smaller class has a more convenient environment to share ideas.
2. Professor will know about how you are processing the knowledge so that he can better adjust himself.
3. Students can get more attention and feedback in smaller classes.

2019.7.7 题型: one/several

Which one of the following values is the most important to share with a young child (5-10 years old)?

1. being helpful
2. being honest
3. being well organized

若选2

1. Young children sometimes tell lies to fulfill their wish, so it's necessary to teach them the importance of honesty.
2. Fostering the quality of honesty in young children would yield the most benefits not only for themselves but also for the community.
3. It is not that realistic to expect children between five and ten years old to be a big help or do things in a well-organized way.

2019.7.28 题型: A&D

Do you agree or disagree with the following statement?

Primary school students (aged 5-10) should do no more than 30 minutes of homework every night because they already get enough instructions in regular classes at school.

若同意

1. Finishing homework in 30 minutes can help students to improve study efficiency.
2. Doing less homework can also be advantageous to releasing pressure.

3. If students do more homework every night, they may lose the interest of study.

2019.8.10 题型: A&D

Do you agree or disagree with the following statement ?

A university should offer students a public speaking course and require all students to take this course to graduate.

若同意

1. the effect of speaking courses on those who are less interested in them or not willing to put time into studying subjects rarely used in real life is negative.
2. Public speaking courses could revitalize the role of critical thinking, spontaneity and public speaking in students' learning and development.
3. Such course will enable students to own an important part of what constitutes a "modern-day personality"—the gene for career success.

2019.8.24 题型: A&D

Some university teachers like to record their lectures in advance for students to familiarize themselves with the materials before class. Then teachers can let students practice what they have learned. Do you think it is an effective way to learn?

若同意

1. The flipped class could cultivate initiative of students and hence improve the efficiency of the class.
2. Instructors can collect questions students have and arrange the class according to the level of students, who are suitable to work in a group with whom and to what extent explain the questions.
3. The process of familiarizing oneself with academic materials also helps improve learning ability.

2019.10.19 题型: prefer

Some people think that limiting the use of technology is beneficial for young students (age 6-12), while others hold the opposite opinion. Which one do you prefer and why?

选前者

1. Some students are easy to detract from study when they see technological devices to study.
2. Using modern technology to study is harmful to the development of students' independent thinking ability.
3. Electronic devices will also do harm to young children's eyesight.

2019.11.3 题型: Prefer

If you need to take a course, which professor's course would you like to take?

A professor who was voted the most popular

B professor who has just won an award for an outstanding research

选 A

1. Professor who was voted the most popular can get along well with students.
2. It is easier to ask these professors for advice.
3. Taking these courses is less stressful.

2019.11.10 题型: A&D

Do you agree or disagree with the statement? These days, children spend more time on doing homework or participating in organized activities related to schools or sports. However, they should be given more time to do whatever they want.

同意

1. Family relationship can be significantly boosted, if parents give more free time to children.
2. Better cultivate independent ability.
3. Only when they do the things they like can they realize their talents.

2019.11.16 题型: Prefer

High school teachers (teachers of students age 14-18) spend most of class time lecturing while the students listen and take notes. Other high school teachers spend most of class time on discussion and projects that students are highly involved in and exchange their ideas. Which of there two approaches do you think is more effective for student learning and why?

选前者

1. Students learn more in classroom.
2. Students are not influenced by other bad students.
3. The ability to learn independently.

2019.12.8 题型: one/several

The best solution for parents to prepare their children for elementary school:

- 1 provide more books for children to read.
- 2 parents read books for children.
- 3 practice conversation with adults.

选1

- 1 Cultivate ability to learn independently.
- 2 Get into the habit of reading.
- 3 Expand their knowledge.

日常生活

2018.1.6 题型: A&D

Nowadays it is not important for people to have regular family meals together.

同意

- 1 Young people today often do not live in the same city or even the same country with their families for better study and working conditions, so they don't have opportunities to have meals with their family.
- 2 Young people have different living and eating habits with their parents. It is difficult to cater for all tastes.
- 3 There are other ways to get connected with family that can take the place of regular family meals, such as making video calls or travelling together in vacations.

2018.2.4 题型: A&D

Agree or disagree? It is better for the younger people to take risk and explore new things than the older people.

不同意

- 1 Older people have more insight into the world, and have more background knowledge on the field they are willing to explore
- 2 Younger people are not mature enough to know how to take risks.
- 3 Younger people are facing new things every day, while the lives of older people seldom change. So it's more worthwhile for older people to take risk and explore new things.

2018.3.10 题型: one/several

Which one is the most important factor to help you work productively:

- A. Having an environment free of noise and distractions

B. Knowing that you will receive a reward

C. Doing something you are interested in

若选 A

1 Within an environment that is noisy and full of distractions will make our brains tired cause brains have to distinguish important message from noise.

2 An environment free of noise and distractions can help us concentrate on our task without wasting time on insignificant issues.

3 Admittedly doing something one is interested in or knowing he would get a reward is one of the factors that enhance one's productivity, but without a quiet environment one could make no progress on work.

2018.3.11 题型: A&D

People can solve important problems in their daily life on their own or with the help from families. The help from the government is not necessary. Do you agree or disagree?

不同意

1 The efficiency of solving problems can be substantially boosted by official assistance.

2 To get help from government is a chance for citizens to know about and supervise the government.

3 There is inequality in both income and living standards with the society, which could not be adjusted by merely people themselves or their families. Thereby aids from the government is necessary.

2018.3.24 题型: A&D

People should take time to relax with hobbies or physical activities that are very different from what they do at work.

同意

1 Keep doing the same task makes people tired both physically and mentally.

2 For most people, what they do at work is regarded as the tool for earning money rather than things that they are interested in.

3 Relaxing with hobbies or physical activities after work or on the weekend can fill one's life with variety and interest.

2018.5.19 题型: A&D

Agree or disagree: Physical exercise is more important to older people than to younger people.

不同意

1. Physical exercise can help young people to release pressure.
2. Physical exercise can better build young people's body so that they can be healthier.
3. Physical exercise is important to both older and younger people.
- 4.

2018.6.23 题型: Prefer

Some people like to exercise alone, while others like to do sports with a group of people.

Which do you prefer and why?

支持后者

1. Doing sports with a group of people is a good way to make new friends.
2. With a group of people one can also exercise his social skills.
3. Doing sports alone is hard to insist.

2018.6.30 题型: Prefer

Some people have ambitious dreams and keep pursuing them, but other people always focus on realistic goals and try to achieve them. Which do you think is better and why?

支持后者

1. Focusing on realistic goals can help build one's confidence.
2. By finishing realistic goals one by one is easier to achieve more.
3. Whether one can realizing his dream is often not only decided by his own effort but lots of other factors one can not control.

2018.7.7 题型: A&D

Do you agree or disagree with the following statement? It is better to relax by watching a movie or reading a book than doing physical exercises.

同意

1. Indulged in the book or the movie, you will forget about everything around you and enjoy the story in them.
2. Due to the rapid development of technology, it has been more convenient for us to read a book or watch a movie.
3. Admittedly, working out is also beneficial for our physical and mental health when we become stressful because of heavy workload.

2018.7.14 题型: Prefer

When you are deciding which of the two places to visit, what should you do: 1. Discuss with someone who has visited the two places. 2. Read online

选 1

1. It's faster and more convenient for us to collect relevant information about the two places, make comparisons and make better decisions.
2. Information about the two places will be presented more vividly online through pictures and videos, which is much better than verbal descriptions.
3. It will be time-consuming for us to consult other people because we need to decide who we will turn to and how we get in contact with them.

2018.9.15 题型: A&D

Should people spend money on traveling and vacation or save for the future?

选择存起来未来使用

1. Saving money for the future is a better choice since we need to handle uncertain conditions in our life, such as diseases and unemployment
2. It is necessary for us to save money for the future since we need make full preparations for long-term life like children's education
3. Admittedly, it will definitely broaden our horizons through traveling

2018.9.16 题型: one/several

People nowadays are busier than ever in work and school. If you have some time to learn new things, which one will you choose to learn?

- A. Learn a new sport that you have never played before.
- B. Learn to cook food that you haven't prepared before.
- C. Learn to make something by hand, like clothing or jewelry

选择 A

1. To begin with, people are able to breathe fresh air.
2. In addition, people could promote their body conditions.
3. Admittedly, other ways can also help us enjoy our life and strengthen the bonds between our families and friends

2018.10.27 题型: one/several

Which way do you think is the best for a student to make new friends?

- A. Joining a sports team
- B. Participating in community activities
- C. Traveling

选 C

1. To begin with, students could renew misunderstood knowledge.
2. In addition, students could pronounce right some foreign words of brands.
3. Admittedly, traveling to unfamiliar place is a little dangerous and expensive to students.

2018.11.10 题型: A&D

Do you agree or disagree with the following statement? Competition among friends usually has a negative impact on friendship. Use details and examples to support your opinion. Use specific reasons and examples to support your idea.

不同意

1. To begin with, competition could force people to learn faster.
2. In addition, competition tends to help people understand each other.
3. Admittedly, sometimes competitions are prone to add too much pressure on us, which may do harm to our physical and mental health.

2018.11.17 题型: one/several

Most important factor that affect the lasting time of friendship.

1. help friends in need
2. have same interests
3. trust each other completely

选 2

1. To achieve a solid friendship, people have to share mutual interests.
2. Sharing interests is the key component in maintaining a stable friendship.
3. Admittedly, other two factors are also important for the lasting time of friendship since mutual help and trust can strengthen the bonds between friends.

2018.12.8 题型: A&D

Do you agree or disagree with the following statement? One can learn a lot about another person from the books and the movies that the person likes.

不同意

1. Since the choice of books and movies can change according to different scenarios, this way of gathering information still sounds like a pseudoscience.
2. Besides, this way of learning people ignores the complexity of humankind almost completely.
3. Admittedly, to some extent, one's favorites may show some information of one's characteristics.

2018.12.15 题型: A&D

Do you agree or disagree with the following statement? For success in school and work, the ability to adapt or adjust to a changing condition or circumstance is more important

than having excellent knowledge of a job or in a field of study. Use specific reasons and details to support your answer.

同意

1. First of all, human beings are outcome of surrounding environment
2. Besides, if a person is able to learn how to adapt to capricious environment, it means that he is good at learning since adaptation is quite hard to handle.
3. Admittedly, individuals will not be able to learn well when lacking relevant skills even if they have adjusted the circumstances

2019.1.12 题型: A&D

It's better to travel different countries when you are young than when you are older

若同意

- 1 Young people are believed to be more adaptive and can reap greater benefit of traveling abroad.
- 2 Young people are in far better health condition to travel extensively abroad.
- 3 People who are always waiting for right time to travel might not graze the chance since life is full of unknowing.

2019.3.16 题型: A&D

Do you agree or disagree with the following statement? Taking a lot of time to make an important decision is a good quality of a person. Use specific reasons and examples to support your answer.

不同意

- 1 In most circumstance, people are not able to find out whether their decision is correct, so it's meaningless to take a long time to make decisions.
- 2 What make sense is not the decision but the action.
- 3 Taking lots of time on making decision is not efficient.

2019.9.1 题型: A&D

Do you agree or disagree with the following statement?

It is much easier nowadays for people to maintain health than in the past? Use specific reasons and details to explain your statement.

同意

- 1 The higher quality of life supports a better health nowadays.
- 2 People nowadays have a better awareness of keeping healthy.
- 3 The advanced science and technology make it easier to cure disease.

2019.10.12 题型: A&D

Do you agree or disagree with the following statement:

It is more beneficial for people to stop reading or listening to the news for a period of a few days or week.

同意

- 1 Most news is of no use to ordinary people.
- 2 Not getting exposed to news for a while can be conducive to learning or working.
- 3 Nowadays there are many fake news.

2019.10.13 题型: one/several

Which way is best for a student to make new friends?

- 1 joining in a sports team
- 2 Traveling
- 3 Volunteering for a community activity

选 3

- 1 Not everyone was born to play sports.
- 2 Have opportunities to forge bonds while working towards a common goal.
- 3 Make friends while doing something meaningful.

2019.11.9 题型: prefer

书改编电影，先看书还是先看电影？

选先看书

- 1 Under most circumstance, adapted movies are only simplified versions of books.
- 2 Novels provide enough time and space for readers to imagine and visualize.
- 3 Often novels is more impressive.

环境保护&自然资源

2018.3.31 题型: one/several

People in communities can make decisions that protect and improve the natural environment. Which one of the following three actions is most useful for people to do if they want to help the local community environment and why:

- 1) Plant trees and create parks
- 2) Persuade local shops to stop providing plastic bags to customers
- 3) Increase access to public transportation to reduce the number of automobiles on local roads.

若选 1)

- 1 Planting trees and creating parks can directly increase the green rate of this community.
- 2 It also helps in lowing the air pollution as well as noise pollution.
- 3 Compared with other two alternatives, planting trees and creating parks is the proper method, which is practical for community residents and easy to see the effect immediately.

2019.9.22 题型: Prefer

如何惩罚破坏环境的企业?

- 1) 使用罚款或者收取更多的税
- 2) 其他方法

选 1)

- 1 The first goal of a business is to make a profit, which can be hurt by fines or taxes.
- 2 Paying fines or taxes based on the level of environmental damage is a fair and non-controversial punishment.

3 Fines and taxes also help local governments implement other environmental policies

科技类

2018.1.13 题型: A&D

It is a waste of time to spend funds on space travel or space exploration.

同意

- 1 Space exploration costs huge amount of money and time, but it doesn't necessarily lead to new results.
- 2 Space travel is to explore more resources and space, but nowadays the earth still has enough resources and space.
- 3 Space exploration is for the well-being of human beings in the future, but now we also face many social problems that could be solved if we pay more time and funds on them.

2019.1.5 题型: A&D

Do you agree or disagree with following statement? The government and the corporation should share all their scientific discoveries with other countries in the world? Use specific reasons and examples to support your answer. Use specific reasons and examples to support your answer.

不同意

- 1 Sharing findings that can breed critical progress in the areas like military industry or aeronautic and astronautic industry may cause terrible consequences to the country.
- 2 Scientific discoveries can be exploited by profitable companies and have a negative impact on society.
- 3 Sharing scientific discoveries undermines the value of patents and brings less encouragement to technology innovators.

2019.4.13 题型: A&D

Do you agree or disagree with following statement?

Nowadays children spend too much time on technology like computers, smart phones

and video games. Some people think that playing with simple toys or playing outside with friends is better for children's development.

Use specific reasons and examples to support your answer.

支持

1. The using of electronic devices is harmful to children's eyes.
2. There are lots of unfiltered information that can be accessed by such technologies.
3. Technologies are addictive, while children lack self-restraints.

2019.8.25 题型: A&D

Do you agree or disagree with the following statement?

Although science and technology will continue to improve, the most significant improvement of the quality of people's lives has already taken place.

不同意

- 1 Science and technology are developing faster and faster, and it's hard to say the most significant improvement has already taken place.
- 2 Problems like environmental pollution threatening people's lives still remain unresolved.
- 3 Although quality of people's lives has already been improved greatly, we still need to keep moving and find out new solutions to potential troubles to our survival.

广告&影视

2019.12.7 题型: Prefer

Do you agree or disagree with the following statement?

Movies and television programs should present stories that good people should be rewarded and bad people should be punished.

反对

- 1 For ordinary audience, TV programs and movies are for entertaining.
- 2 They should be stick to reality rather than make educational stories.
- 3 Making a film or a TV program is the art of creation and cannot be dedined by rules.

2018.7.1 题型：A&D

Do you agree or disagree with the following statement: some people think nowadays the media (TV, newspaper, Internet) are less concerned about the accuracy of news than in the past, and the incorrect information may cause more problems to the public.

同意：

1. In order to release the news faster to better satisfy individuals' curiosity, the reliability of the news will decrease.
2. There has been too many newspaper companies and TV stations for the government to supervise them, and thus fake news are more likely to spread.
3. Misled by the media, people are prone to make incorrect decisions, which will bring about bad effects.

社会政策

2019.3.9 题型：A&D

Do you agree or disagree with the following statement? The most important problems affecting our society today could be solved within our lifetime

同意

- 1 The crime problem could be solved. This is mainly because most people may commit crimes for money issues or the lack of moral integrity.
- 2 The environmental problem could also be tackled as people's awareness of environmental protection has been strengthened.
- 3 Most health problem could be solved with advanced pharmaceutical technology.

2019.9.21 题型：Prefer

政府投钱开发一块空地，这片空地应该被用来建公园用来为所有人娱乐好，还是给没有运动场的高中建运动场好？

选运动场

- 1 Building a new sports field for the high school can help the students release pressure from study.
- 2 A new schoolyard for high school students enables students to do sports and keep healthy.
- 3 It also benefits citizens since they can go to the sports field to watch some live sports

games on weekend.

2019.10.27 题型: A&D

Do you agree or disagree with the following statement? The rapid growth of cities has mostly positive impact on the society.

不同意

- 1 Increasing population brings about severe competition.
- 2 Environmental damage.
- 3 Huge cities leaves the nearby countryside short of human resources.

游戏&休闲旅游

2019.6.1 题型: Prefer

When traveling, which kind of tourist attractions would you like to go, places that are crowded with people or places with fewer people?

选择 fewer

1. Going to places with fewer people can save time and money
2. People can enjoy themselves with a slower pace.
3. Environment can be more quiet and casual rather than noisy.

2019.6.16 题型: one/several

If you go traveling to a city for the first time, but you only have a limited amount of time, which place you will choose. Choose ONE from the three options.

- 1 touring the historic sites
- 2 go shopping on some markets
- 3 go to the restaurants or café

选择 3

1. Authentic food and services cannot be experienced else where
2. In restaurants and café you can talk to local people to get to know of the city better.
3. Commercial goods and sites can be bought or exhibited in other places as well.

社会名人

2019.11.2 题型: Prefer

Celebrities, such as actors, musicians and athletes, sometimes express their political views in public. Some people appreciate knowing the political views of celebrities. Others think it is not appropriate or useful to know the political views of celebrities. Which opinion do you agree with?

选后者

- 1 The most important criteria when judging a celebrity is always the professional standard, that is whether they are good in their fields or not.
- 2 Knowing the celebrities' political views can even create unnecessary cognitive barriers between groups with different political ideologies.
- 3 Some celebrities are not people who have read a lot of books or have deep thoughts in politics, so their views might be not useful.

工作习惯和企业运营决策

2018.5.26 题型: Prefer

When your need to complete a creative task, your prefer to work together with others or to do it alone?

选择前者

1. A creative task needs more creative ideas so that working together is a better option.
2. A group of people has a wider range of knowledge, expertise and skills than any single individual is likely to possess
3. Working with others is conducive to developing communication ability.

2018.7.8 题型: Prefer

Which one do you prefer: 1) a company offering you a job with challenging and interesting project but less vacation days; 2) another company offering you a job that is not so challenging and interesting but has more vacation days.

选择 (2)

1. Jobs with challenging and interesting projects will add too much pressure on employees who have graduated from university for a short time.
2. In order to strike a balance between work and family, individuals need jobs that are not so challenging and interesting.
3. Admittedly, ambitious and aggressive people are supposed to choose more challenging and appealing jobs since they will feel a sense of achievement and find the true value of their lives.

2018.8.26 题型: prefer

In order to have a pay rise, a lot of people choose to enhance performance. There are two ways to enhance performance. Which one do you prefer? 1. additional work and extra assignment 2. being active in the group

选择 1

1. The more work and assignments you finish, the higher the pay will be.
2. It will broaden our horizons and help us find jobs with higher pay when necessary if we have been responsible for plenty of projects.
3. Admittedly, leaders are more likely to notice you when you are active in groups with thousands of employees

2018.10.13 题型: A&D

Agree or disagree: Your job has a greater effect on your overall happiness than social life does.

同意

1. First of all, almost all contemporary people are caught in work back and forth, and thus cannot spare time on entertainment and networking
2. In addition, mental and physical pressure compels significant proportions of modern people to get away from socializing.
3. Admittedly, it may cast great effects on our overall happiness when we have a great time socializing with others

2019.6.15 题型: Prefer

Some companies decided not to allow employees to discuss business by sending mails or messages on weekends. Some people believe that this policy is great, others believe that this policy will discourage employees. What is your opinion and why?

同意

1. Talking about work at such time is an extra burden.
2. Making decisions after work without total concentration is risky for the whole company.
3. No talking about work in weekend is a guarantee for a better relaxation and more energetic working hours.

2019.7.6 题型: A&D

Do you agree or disagree: For a business to be successful, man must spend a lot of money on advertising.

同意

- 1 Advertising will boost the popularity of the company, and increase the possibility of success.
- 2 All successful companies have their advertising departments. Only spending money on advertising can a business be qualified to compete with them.
- 3 Consumers and potential partners are all too busy to get to know the business unless there is good advertising.

2019.7.13 题型: prefer

A company wants to spend a certain amount of money to improve its employees' productivity. Of the following two ways, which one do you think is better?

1. update the technology used by the workers to improve efficiency
2. redesign the office to improve the working environment

选 1

- 1 One advantage of updating technology at work over redesigning the office is that up-

to-date technologies can save much time of time.

2 New technology also holds the advantage of analyzing data efficiently at work.

3 With enhanced technology and efficient workflow, employee loyalty will be boosted.

2019.9.7 题型: A&D

Do you agree or disagree with the following statement?

The most important characteristic of successful politician or a leader is good communication skills.

同意

1 The politician or leader's strong communication skills can motivate their subordinates or employees.

2 Being persuasive or well-connected which is both driven by excellent communication skills will contribute to the success of business negotiation.

3 Good communication skills helps to foster collaboration with potential partner.

2019.10.26 题型: one/several

New graduates 找工作(感兴趣的公司或职位 find a job in the field that interests you)
以下哪个策略好:

1 ask all friends both in person and social media who know whether the job is offering

2 写自荐信给有目标意向的公司

3 在报纸或网上找招聘广告然后去应聘

选择 1

1 Asking friends for advice saves time.

2 Friends know what kind of person he is and what position he is interested in.

3 Friends, rather than official websites or newspaper, will have the latest information.

2019.12.1 题型: A&D

Do you agree or disagree with the statement?

给同学或者同事 provide feedback 的时候,先提 positive comments 比先提 negative comments 好

趴趴教育·托福

微信号

公众号

同意

- 1 It eases the other person's psychological pressure.
- 2 Positive comments in the first place makes it easier to communicate.
- 3 Create a relaxed atmosphere for conversation.
